"From the Pit to the Palace" is a musical written by Marilyn Quigley and Allen R. Francis which tells the story of Joseph, one of the twelve sons of Jacob. The story is based on the record of Judah's life as told by Moses in the Old Testament book of Genesis. If you would like to learn more about the characters presented here tonight, or more of the God who is ever present with His protecting love, then turn in your Bibles to Genesis chapters 37 to 50.
